
THEMED BUFFETS

Each of our buffet menus offers you and your guests variety. Choose your theme, then select the perfect accompaniments. Please ask your catering professional if you would like to explore complementing your meal with additional selections from our kitchen, such as an incredible dessert from our executive pastry chef's tantalizing collection. Themed buffets are specially designed for groups of 20 guests or more.

Menu items marked "FTC" feature foods from our UM Farm to College Program and include products from Montana farmers, ranchers, and food producers.
